

FOR IMMEDIATE RELEASE

Xllerate Consulting – Earns Microsoft Gold Certified Partner Status

GARLAND, TX (August 29, 2010) – Xllerate Consulting, LLC, provider of innovative Microsoft Excel automation tools, is pleased to announce that it has just earned Microsoft Gold Certified Partner status. Xllerate has been working towards this goal for the last few years and views it as a significant achievement. They also wish to convey sincere thanks to all their wonderful customers who helped their success by providing thoughtful feedback and encouragement.

"Attaining the status of a Microsoft Gold Certified Partner brings with it the world-wide recognition of our commitment to our customers. It is our goal to assist our customers in maximizing their experience with Microsoft products and show them some of the untapped productivity improvements that can be had." said Maria Grieser, President and CEO of Xllerate Consulting, LLC.

Xllerate Consulting's website offers a free 30-day trial of the Xllerate add-in with a fully illustrated, context sensitive help manual. The website also features free on-line training consisting of an audio/video library, sample programs and templates (www.xllerate.com). Additional services include consulting and customized on-site training programs. Xllerate[®] requires Excel 2002 or higher and Windows NT or higher.
